

FORD RANGER WOLFTRAK

GO YOUR OWN WAY

FORD RANGER WOLFTRAK

For a commanding pick-up that works relentlessly and has the capacity to carry huge loads* without complaint, look no further than the new limited edition Ford Ranger Wolftrak. Specially developed for heavy-duty applications, you'll find it's equally at home both on-road or in rough terrain. Powered by a 2.0L Ford EcoBlue 170 PS (125 kW)/420 Nm diesel engine, its sure-footed 4x4 system with e-locking rear differential, and all-terrain tyres help you tackle off-road trails** with confidence.

Standard features include

- **Durable spray-in bed liner** helps to protect the pick-up bed from scuffs and scratches, while its textured surface prevents items from sliding around
- **Matt black styling elements** including door mirror caps, radiator grille, door and tailgate handles, long-leg sports bar, and rear bumper step
- **All-weather floor mats** for front and rear
- **All-terrain tyres** help provide optimum traction in challenging off-road conditions
- **Choice of specially selected optional body colours** including Conquer Grey (solid paint) and Sea Grey (metallic paint)

*Cargo and load capacity limited by weight and weight distribution.

**Always consult the Owner's Manual before off-road driving. Follow all laws and drive on designated off-road trails and recreation areas.

†Item covered by third party supplier's warranty, please see back cover for details.

Model shown is a Double Cab Wolftrak in Conquer Grey solid body colour (option).

PROTECT YOUR RANGER AND YOUR GEAR

Add an extra layer of protection to both your Ranger and your belongings with a choice of great-looking and practical load bed features. Load bed covers will shelter your tools and equipment from the worst of the elements, while Wolftrak's standard sports bar and bed liner blend rugged style with hard-working substance. Each item has been specially designed and engineered to fit your Ranger perfectly, and to provide long-lasting, dependable service.

Roller Shutter

Safely protect your tools and equipment in the load bed with this tough and practical roller shutter cover. Not only is this highly durable, due to its ultra-strong extruded aluminium, but it also features a high-quality locking mechanism to completely secure the load area. This is available in Silver or Black, and is compatible with crossbars. (Option and accessory)

Hard Top Canopy

The Hard Top Canopy converts the cargo area into a wagon-style load compartment. This easily installed feature comes complete with LED high-level brake lights, interior light, a jet washable interior with insulated headliner and dark tinted/heated rear door glass. A sliding bulkhead window provides ventilation. (Option and accessory)

Model shown is a Double Cab Wolftrak in Sea Grey metallic body colour (option).

Fuel, performance and emissions

	Max. speed (km) ^º	CO ₂ emissions – Min-Max ^{ººº} (g/km) – WLTP Overall	Fuel consumption –Min-Max ^{ººº} (mpg) – WLTP Overall
2.0 Ford EcoBlue 170 PS (125 kW) (420 Nm) 6-speed manual	112	179-188	39.2-40.9

^ºFord test figures. ^{ººº}The declared fuel/energy consumptions and CO₂ emissions for Stage 6c (N1) and Stage 6d-TEMP (M1) engines are measured according to the technical requirements and specifications of European Regulations (EC) 715/2007, (EC) 692/2008 and (EU) 2017/1151, as last amended. Fuel consumption and CO₂ emissions may be specified for a vehicle variant and not for a regular vehicle. The applied standard test procedure enables a comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a vehicle; driving behaviour as well as other non-technical factors are very important in determining a vehicle's fuel/energy consumption and CO₂ emissions. A guide on fuel economy and CO₂ emissions which contains data for all new passenger carrying vehicle models is available at any point of sales free of charge or can be downloaded at ford.ie.

Weights and loads

	Max. payload gross (kg) ^º	Front axle plated mass (kg)	Rear axle plated mass (kg)	Gross vehicle mass (kg)	Kerbweight (kg) [♦]	Axle ratio	Max. trailer weight Un- braked (kg)	Max. trailer weight Braked (kg)	Max. GTM (kg)
2.0 Ford EcoBlue 170 PS (125 kW) (420 Nm) 6-speed manual	1121	1480	1850	3270	2149	3.55	750	3500	6000

^ºPayload Gross = Gross vehicle mass, less kerbweight. GVM = Gross vehicle mass. The total permissible all-up weight of a rigid vehicle – i.e. with body, payload, ancillaries, fuel, oil, water, driver and crew. [♦]Kerbweight = The weight of the complete vehicle and all equipment including fuel and water, but without the payload, driver or any crew. All kerb masses quoted in this brochure are subject to manufacturing tolerances and are for Base models with minimum equipment. Wolftrak model will have greater kerb masses and, therefore, lower payloads due to the increased amount of standard equipment. Any additional options specified on the vehicle will reduce the payload accordingly. Note: All data in the this table is dependent on the actual specification of the vehicle and the market in which that vehicle is available. Contact your local Ford Dealer for more information.

Illustrations, descriptions and specifications. This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. Fitment of accessories may have an impact on your vehicle's fuel consumption. [♦] The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are instead covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.
