Empower your life

New horizons. Familiar journeys. Surprising detours. Wherever life takes you, travel in comfort and arrive in style with Ford S-MAX. Stunning design blends with sophisticated technology and a dynamic driving experience to bring pleasure to every journey.

S-MAX ST-Line with 18" alloy wheels (standard), Moondust Silver metallic body colour (option) and ST-Line X Pack (option).

No compromise

You're not one for compromise. So when you need a car that can carry up to seven* people that is spacious and comfortable, yet is still a great-looking vehicle, there's only one choice to make. The Ford S-MAX has room for everything, except compromise. So get out there and enjoy life to the fullest.

*Seats up to seven people when an optional third row of seating is not folded.

S-MAX Vignale shown in Magnetic metallic body colour with premium perforated leather in Ebony seat trim.

Refinement redefined

The Ford S-MAX Vignale radiates with refinement, combining the finest traditions of craftsmanship and a host of forward-thinking technologies. Exclusively sourced Ford Vignale leather offers a natural, glove-soft touch for an extra-sumptuous feel across the fascia, door inserts, and elegantly quilted seats.

S-MAX Vignale with 19" 10-spoke alloy wheels (standard) and Blue Panther metallic body colour (option).

Panorama roof

Enjoy the beauty of the outdoors from the comfort of your Ford S-MAX. A full-length glass panorama roof lets the sun shine in, while a solar reflect coating and powered sunblind provide shade and privacy when required. The feeling of comfort offered by the panorama roof is further extended by the addition of rear manual sunblinds (option).

S-MAX ST-Line shown with panorama roof (option) and Salerno leather in Ebony with red stitching seat trim (part of optional ST-Line X Pack).

Meet your phone's new best friend

Ford SYNC 3

Ford SYNC 3 integrates seamlessly with your compatible smartphone, letting you control everything from phone calls and text messaging to music and satellite navigation – all via the 8" touchscreen or through remarkably simple voice commands. Map updates help to keep you on track and on time, and are complimentary for a limited period following vehicle registration.

SYNC 3 features

- Manage your phone, music, apps and navigation with simple voice commands
- Hear your text messages read aloud for you
- Control SYNC-compatible apps with AppLink, while Apple CarPlay and Android Auto let you navigate your smartphone through the SYNC 3 home screen, as if it were your handset
- Colour touchscreen supports multi-touch 'swipe' and 'pinch-to-zoom'

gestures, and lets you arrange application icons and background displays just as you would on your tablet or smartphone

Access additional features via your smartphone with the **FordPass App**.

- Select points of interest along your route. FordPass will send these locations to your SYNC 3 Navigation when you connect through AppLink
- Search for refuelling points by brand or fuel grade, and compare pricing
- Search available parking spaces, check costs, opening hours and ratings

Please note: Full SYNC 3 smartphone integration is only available with iPhone 5/Android 5.0 (Lollipop) or higher. Some SYNC 3 functions require a data connection, so mobile data charges will apply. To check whether Apple CarPlay and Android Auto are available in your market, please check official Apple CarPlay and Android Auto websites for the latest information.

Effortless connectivity

Now you and your Ford can stay seamlessly connected wherever you are. That's because the FordPass Connect modem and the FordPass App, together, unlock a range of features designed to make every journey easier.

FordPass Connect

FordPass Connect* can help save you both time and hassle, as well as give you peace of mind. It is provided as a one year free trial (from date of first registration). After this, subscription fees are payable.

- Live Traffic** provides near real time traffic information and offers dynamic routing based on traffic conditions (1 year free trial)
- Local Hazard Information** uses multiple local and national information sources to warn you of hazards in the road ahead
- On-board Wi-Fi*** allows you to connect up to 10 devices via Wi-Fi to the built-in 4G modem with FordPass Connect (1 year free trial)
- eCall† helps occupants place an emergency call to provide emergency services with the vehicle location in their respective language

FordPass App

FordPass Connect becomes even more powerful when paired with your smartphone via the FordPass App, allowing you to access a host of features.

- Remote lock and unlock your vehicle from anywhere via the app
- Use remote start to pre-condition your vehicle to its preset temperature (automatic transmission only)
- Check your vehicle's fuel level, oil health and tyre pressures straight from your phone
- Get service reminders and book your service direct from the app
- Find where you parked your car and be guided back with built-in maps
- Receive Vehicle Health Alerts directly to your phone
- Get access to exclusive customer offers

*FordPass Connect is an optional extra. The on-board modem will be connected at the time of vehicle delivery. You may choose to opt in/out of certain data sharing. The technology will be made available in selected markets in 2019, with the remaining markets following through 2020. FordPass Connect feature usage is complimentary for the first year, thereafter a subscription fee is payable.

**Access is complimentary for the first year following the registration of a new Ford featuring SYNC 3 with navigation; thereafter a licence fee is payable.

***Wi-Fi hotspot (up to 4G LTE) includes a complimentary wireless data trial for a limited time only that begins at time of activation. Afterwards, data bundles can be purchased from Vodafone. Please refer to their website for details of their data packages. To take advantage of the built-in Wi-Fi hotspot capability, Ford vehicles must come with the appropriate hardware, and a data plan is required. Data coverage and service is not available everywhere and terms of your data plan, including applicable message and data rates, may apply.

†Ford eCall is an innovative feature that helps vehicle occupants initiate a call to the local Communications Centre, following a vehicle crash event involving an airbag deployment or fuel pump shut off. The feature operates in more than 40 European countries and regions.

Always in control

Technology making your life easier

01 Adaptive Lighting with Dynamic LED headlights detects different road conditions and selects the appropriate beam pattern. Dynamic curve lights throw the beam inside the curve to let you see further and sooner. The headlights incorporate daytime running lights, with three LED strips that also function as turn indicators, flashing sequentially towards the direction of turn (part of optional Titanium and ST-Line X Packs, standard on Vignale).

02 Glare-free high beam lets you drive on high beam without dazzling other road users. Sensors identify traffic ahead of your car and adjust the high beam pattern to help protect other road users from glare, while illuminating the remainder of the road for greater visibility (part of optional Titanium and ST-Line X Packs, standard on Vignale).

03 Adaptive Cruise Control with Stop & Go* maintains a comfortable distance from the vehicle ahead, and can even bring your car to a complete stop and move off again as the traffic allows (part of optional Driver Assistance Pack).

*Stop & Go is only available with automatic transmissions.

01

03

01

02

Added reassurance

Ford S-MAX is available with a wealth of innovative optional technologies to help make every drive easier.

01 Active Park Assist[®] can help you to parallel park or perpendicular park. Once activated, the enhanced system can help you to locate a suitable space as you drive past and will automatically guide you in, while you operate the pedals (following on-screen and audible signals). Park-Out Assist can help you manoeuvre out of a parallel parking space in a similar way (part of optional Driver Assistance Pack).

02 Front wide-view camera provides an extensive view from the very front of your car to the left- and right-hand sides. Particularly useful at junctions and when driving forward out of parking spaces where your side view is impaired (part of optional Driver Assistance Pack).

03 Intelligent All-Wheel Drive continually monitors where power is needed, and can automatically apply the required torque to each wheel for added confidence, whatever the road conditions (only available with 2.0L EcoBlue 190PS in the UK, not available in Ireland).

03

[®]Uses sensors.

S-MAX Titanium shown with Salerno Leather in Ebony trim (part of optional Titanium X Pack).

Remarkable technologies

Easier, safer, superior*

- 01 Hands-free tailgate** makes opening or closing S-MAX's tailgate easy, even when your hands are full. With the keys in your pocket or bag, simply use a gentle kicking motion under the centre of the rear bumper and the tailgate will operate without you having to touch a thing (part of optional Titanium and ST-Line X Packs).
- 02 Pre-Collision Assist with pedestrian and cyclist detection^o** uses radar and a camera to keep a watchful eye on the road ahead for cars, cyclists, and pedestrians. The system is designed to alert you to a potential collision and, if you fail to respond, can automatically apply the brakes to help avoid or reduce the effect of any impact (standard).
- 03 Ergonomic seats with AGR certification**** help support your back. These ergonomically designed, 18-way manually-adjustable front seats with AGR accreditation are ideal for longer journeys (option).
- 04 Blind Spot Information System with Cross Traffic Alert and Variable Rear Range^{o1}** If another vehicle – a car, van or lorry – enters your blind spot, the system is designed to alert you with a warning light built into the corresponding door mirror. The blind spot detection zone will vary up to a range of 18 metres, depending on the speed of the vehicle (part of optional Driver Assistance Pack).
- 05 Ford Clearview Front Wiper System** improves visibility by delivering the washer fluid directly into the path of each wiper blade as it moves across the windscreen (standard).
- 06 Traffic Sign Recognition^o** is designed to automatically read standard format road-speed signs and display the posted speed limit in the instrument cluster (standard).

^oUses sensors.
^{o1}Designed to operate at speeds above 10 km/h.
^{*}The AGR quality cachet (Aktion Gesunder Rücken = Campaign for Healthier Backs): Certified and recommended by Association Forum Healthy Back – Better Living and Federal Association of German Back Schools. More information: AGR e.V., Stader Str. 6, D – 27432 Bremervörde, Germany. Phone + 49 4761/92 63 580.
^{**}When compared to prior models not equipped with these technologies.

Choose the right S-MAX for you

Available in a range of uniquely individual series, it's never been easier to choose a new Ford S-MAX. Whether you prefer the comfort of a Luxury vehicle, or the fun-loving dynamics of Sport, there is a new Ford S-MAX to suit you. To make your purchase choice even more rewarding, we've elevated the standard of features across all series. So now, whichever S-MAX route you decide to take, you can be sure of a higher level of standard features, as well as a host of add-on features available as part of an option pack.

Boot Liner

Durable tray-style liner, helps to keep the load compartment clean and tidy, ideal for transporting wet or dirty items. (Accessory)

Roof spoiler

Engineered specifically for the Ford S-MAX, the roof spoiler gives your model a sportier profile and enhanced aerodynamics. (Option and Accessory)

Tow bars

Ford's power-operated retractable tow bar automatically stows itself out of sight below the rear bumper when not in use, retaining the car's sleek looks (Accessory). Also available as a detachable tow bar (Option and Accessory) and a fixed tow bar (Accessory). While towing, the standard Electronic Stability Control (ESC) ensures that trailer sway is counteracted.

Roof racks

Sturdy and lockable roof racks allow you to transport loads safely and easily. Base carriers are available, as well as cross bars for vehicles fitted with roof rails. They form the basis for various available roof attachments (Accessory).

Thule®+ roof attachments

A range of roof attachments is available, including roof boxes, bike carriers and roof ski/snowboard carriers. (Accessory)

Garmin®+ DashCam 65W

Provides video evidence in the event of a driving incident, giving you peace of mind. (Accessory)

Load floor net

Elasticated net attaches to tie-down hooks in the load compartment. Helps to secure smaller items and belongings. (Accessory)

Load retention systems

Robust retention systems meeting European ECE-R17/ ISO27955 safety requirements keep items of luggage safely in the load compartment. A net can be ordered for fitment behind the second row of seats, while a guard is available for fitment behind either first or second row (Accessory, not available with Tri-zone Electronic Automatic Temperature Control).

Load compartment protection

A durable tray style boot liner with Ford S-MAX logo is available, ideal for transporting wet or dirty items (Accessory), as well as a reversible load compartment mat (that can be extended over the rear seats, together with fold-out bumper protection) and carpet with Ford S-MAX logo on one side and a durable rubber surface on the reverse side (Accessory).

Rubber floor mats

Tray style rubberised all-weather floor mats are tailor-made to fit and help to protect against dirt and damp. The driver's mat is securely fixed directly onto the vehicle's floor to help prevent it from slipping. (Accessory)

Mudflaps

Contoured mud flaps help to protect the bodywork of your Ford S-MAX from stone chips and road spray. Available as sets for front and rear. (Accessory)

Fitment of accessories may have an impact on your vehicle's fuel consumption. Items ordered as an option will be fitted in the factory. If ordered as an accessory, items will be fitted at the dealership. *+Item covered by third party supplier's warranty, please see back cover for details.

For more accessories please visit the Online Accessory Catalogue at www.ford-accessories.ie

The test used to establish fuel consumption and CO₂ figures has changed to deliver results that are more representative of real driving. The Worldwide Harmonised Light Vehicle Test Procedure (WLTP) has replaced the old NEDC test. The Fuel Consumption and CO₂ figures shown are derived from the new WLTP test. Please be mindful of this in making comparisons between vehicles where some manufacturers may still display the old NEDC figures. It should be noted that vehicle registration tax (VRT) and where applicable motor tax is not based on these WLTP figures in 2020, these figures are for information purposes only.

Understanding fuel data The table shows the fuel consumption (WLTP) and CO₂ emissions (WLTP) for each available engine when fitted on a standard specification Mondeo (with no options or accessories). Adding options or accessories to your chosen vehicle can impact WLTP fuels consumption and CO₂ emissions.

*In 4th gear. †Ford test figures. **The declared Fuel/Energy Consumptions, CO₂ emissions and electric range are measured according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EC) 692/2008 as last amended. Fuel consumption and CO₂ emissions are specified for a vehicle variant and not for a single car. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO₂ emissions and electric range. CO₂ is the main greenhouse gas responsible for global warming.

*Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc., fitted. Towing limits quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. Gross Train Mass includes trailer weight.

*Gradient at sea level.

Making ownership easy and affordable.

Take advantage of a range of invaluable services and make the most of your car – for as long as you own it.

FORD BlueService

Delivering total peace of mind.

With Ford, the service doesn't end when you leave the showroom. Ford BlueService is designed to keep your Ford in great condition and help you make the most of your car – throughout its life.

- **Free Electronic Vehicle Health Check with Video Reporting**
- **Free European Roadside Assistance**
- **Transparent prices**
- **A One Call number to connect you to all Ford services**

FORD PROTECT

Extend your warranty up to 7 years/100,000km with Ford Protect.

Extend your standard 2-year warranty and enjoy worry-free motoring for many years to come. Ford Protect provides a range of key benefits including:

- **High flexibility in duration and mileage**
- **Attractive annual fees**
- **Cover against unexpected repair costs**
- **Protection on trips abroad**
- **Inflation proof: all increases in repair costs are covered**
- **Prolonged lifespan of your Ford vehicle**
- **Protects your vehicle resale value**

Ford Protect terms and conditions apply see ford.ie/shop/extras/warranties for more information.

FORD S-MAX Next steps

try

Visit your Ford Dealer and test drive the Ford S-MAX for yourself. Find your local Dealer: www.ford.com/SBE/DealerLocator

build

Go online and build and price your new Ford S-MAX to your exact specification.

finance

When it comes to financing your vehicle, Ford Credit's size and expertise means they're well placed to provide you with a wide range of finance products. Ford Credit provides a range of finance products for your vehicle whether you are a private or business user.

The credit provider of these products is Bank of Ireland Leasing Ltd, trading as Ford Credit.

The FORD and FORD CREDIT trademarks are owned by Ford Motor Company and are used under licence.

For more information about the finance products provided by Ford Credit visit www.ford.ie

own

When you drive away in your new vehicle, we're with you all the way. Ford has a large authorised service network to help you keep your vehicle in the best condition.

And should your new Ford ever require accident repair, a Ford Accident Repair Centre is the best place to get your vehicle back to its pre-accident condition and on the road as quickly as possible.

FordPass

FordPass is a new platform that will empower you to rethink the way you move. Finds parking locations nearby, contains vehicle and finance details, dealer information and a host of useful guides.

Live Traffic access is free for the first 2 years following the purchase of a new Ford featuring SYNC 3 with navigation; thereafter there is an annual licence fee.

Illustrations, descriptions and specifications. This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. Fitment of accessories may have an impact on your vehicle's fuel consumption. **+** The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are instead covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.
