

FORD FOCUS

2

SELECT

With a choice of exterior and interior styling, there's a new Ford Focus that's right for you.

Zetec Edition

Focus's stylish entry model has a richer level of standard features than ever before, including impressive integrated technologies.

Key features

- 16" 5x2-spoke alloy wheels with Sparkle Silver finish
- Standard headlights – LED low beams with halogen high beams and LED daytime running lights
- Quickclear heated windscreen
- Front and rear parking sensors
- Ford SYNC 3 Navigation with 8" TFT touchscreen & AppLink Apple CarPlay/Android Auto, hands-free calling, GPS, Bluetooth® and audible text messaging, 2 USB, Privacy Mode, remote audio controls and 6 speakers
- Electronic parking brake with auto hold
- FordPass Connect on-board modem* with eCall**
- Passenger airbag^o deactivation indicator
- Pre-collision Assist with Autonomous Emergency Braking

Titanium Edition

Focus Titanium Edition delivers elevated levels of sophistication and comfort, from superior quality materials to additional technologies.

Key features

- 16" 15-spoke alloy wheels with Sparkle Silver finish
- Automatic on/off headlights with follow-me home lighting
- Power folding door mirrors
- Rain-sensing wipers
- Auto-dimming rear-view mirror
- Dual-zone Electronic Automatic Temperature Control (DEATC)
- Heated front seats
- Ford KeyFree System with Keyless Entry and Keyless Start (with sleep-mode key fob)

Titanium X Edition Not available in IRL market

Active Edition

With its sporty, rugged lines, the adventurous Active Edition seamlessly blends form with function. Features additional to Zetec Edition include:

Key features

- 17" 5-spoke alloy wheels with Foundry Black finish
- Unique Active style front and rear bumpers
- Raised ride height (30mm higher than standard)
- Black painted roof and mirror caps
- Sports style seats with Nordic Blue contrast stitch
- Twin exhaust tailpipes
- Rear privacy glass
- Rain sensing wipers
- Auto-dimming rear view mirror

*The on-board modem will be connected at the time of vehicle delivery. You may choose to opt in/opt out of certain data sharing.

**Ford eCall is an innovative feature that helps vehicle occupants initiate a call to the local Communications Centre, following a vehicle crash event involving an airbag deployment or fuel pump shut off. The feature operates in more than 40 European countries and regions.

^o**Note: A rear-facing child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the rear seat.**

Active X Edition
Not available in IRL market

ST-Line Edition

The striking ST-Line Edition has a distinctly sporty character, thanks to its unique exterior styling and interior detailing. Features additional to Zetec Edition include:

Key features

- 17" 5x2-spoke alloy wheels with Rock Metallic finish
- Polished twin tailpipe
- Large body coloured rear spoiler
- Sports tuned suspension
- Sports style seats with Eton in Ebony cloth and red contrast stitch
- Flat-bottomed steering wheel with red stitching
- ST-Line unique gearshift knob, with aluminium-finish (manual only)
- Dark headliner
- Rear privacy glass

ST-Line X Edition
Not available in IRL market

ST

Designed with keen drivers in mind, Focus ST adds even more sporting luxury with unique partial leather seat trim.

Key features

- 19" 5x2-spoke alloy wheels with Magnetite finish
- Large rear spoiler
- Unique ST sport suspension
- Adaptive LED headlights
- Recaro partial leather seats with Metal Grey piping and contrast stitching
- 6-way power-adjustable front seats
- 12.3" full digital instrument cluster
- Head-up display
- B&O Premium Sound System with Beosonic™ functionality

Zetec Edition

Key exterior features

- 16" 5x2-spoke alloy wheels with Sparkle Silver finish
- Front and rear parking distance sensors
- Bright lower door frame mouldings
- Bright roof rails (estate models only)
- Front fog lights with cornering function
- Electrically-operated and heated door mirrors with body colour housings and integrated side indicators
- Automatic headlights with black bezel
- Ford EasyFuel capless refuelling system
- Selectable Drive Modes

Key interior features

- Ford SYNC 3 Navigation with 8" TFT touchscreen & AppLink, Apple CarPlay/Android Auto
- 4.2" colour TFT analogue cluster
- 3-spoke Sensico® soft touch steering wheel with integrated audio controls
- Cruise control with speed limiter
- Pre-collision assist with Autonomous Emergency Braking (AEB)
- Lane Keeping System
- Quickclear heated windscreen

4 SPECIFICATIONS

The fuel consumption and CO₂ emission figures shown in the table are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load. The figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures.

*Ford test figures. **The declared Fuel/Energy Consumptions, CO₂-Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. Light Duty Vehicles type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP) have Fuel/Energy Consumptions and CO₂-Emission information for both New European Drive Cycle (NEDC) and WLTP. WLTP is a new, more realistic test procedure for measuring fuel consumption and CO₂ emissions and fully replaced the NEDC by end of 2020. The applied standard test procedures enable comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO₂ emissions and electric range. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <https://carfueldata.vehicle-certification-agency.gov.uk/>. **Active Edition *Represents the lightest kerbweight assuming driver at 75kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc., fitted. **Towing limits** quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. **Roof load** is a maximum of 75kg on all models. **Gross Train Mass** includes trailer weight.

*Ford eCall is an innovative SYNC feature that uses a Bluetooth®-paired and connected mobile phone to help vehicle occupants initiate a direct call to the local Communications Centre, following a vehicle crash event involving an airbag deployment or fuel pump shut off. The feature operates in more than 40 European countries and regions.
