

NEW FORD S-MAX - ORDERING GUIDE AND PRICE LIST

Effective from

3rd October 2022

Effective from: 3rd October 2022

S-MAX SERIES RANGE

Titanium

Standard Features

- 17" 5x2-spoke alloy wheel
- LED Daytime running lights
- Chrome trim to side windows
- Full body coloured trim
- Silver roof rails
- Rear privacy glass
- 10.1" semi-digital cluster
- Seats in Axis in Ebony trim
- Front seat back table trays
- 230V power outlet in centre console
- Ambient lighting
- Automatic headlights
- Keyless Entry system
- Traffic Sign Recognition
- Lane Keeping Aid including:
 - Driver Impairment Monitor
 - Active Steering with Lane Departure Warning
- Power fold mirrors - heated, indicators with puddle lamps
- Quickclear heated front windscreen
- 3 x 2nd row individual seats - fold flat, slide & recline
- ISOFIX attachments for child seats - for each 2nd row seat
- Dual-zone Electronic Automatic Temperature Control (DEATC)
- Pollen and odor air filter (TÜV certified)
- SYNC 3 with 8", CD Player and Touchscreen Navigation system
- My Key®
- Front and rear parking sensors
- Cruise Control with Active Speed Limiter
- Pre-Collision Assist
- Thatcham Alarm
- Locking wheel nuts
- Tyre inflation kit
- FordPass Connect (embedded modem) includes:
 - free live traffic on initial trial period
 - 3 months or 3GB Wi-Fi Hotspot
 - remote features and vehicle information
 - eCall

Gross Retail Price € 50,693*

ST-Line

Additional to Titanium

- 18" ST-Line alloy wheel
- Unique front, rear and side sports bodystyling with dark exterior detailing
- Rear spoiler
- Black trim to side windows
- Black roof rails
- Red brake calipers (except Hybrid)
- Sports suspension
- Unique ST-Line badging
- Variable heated front seats
 - Salerno Part-Leather sports seats with:
 - Perforated Miko Suede inserts
 - Red stitching
- 10 - way power driver's seat with memory
- 10 - way power passenger's seat
- Dark headliner
- Perforated leather-trimmed steering wheel with red stitching
- Heated steering wheel
- Aluminium sports pedals
- ST-Line illuminated scuff plates

Gross Retail Price € 53,501*

Vignale

Additional to ST-Line

- 19" 10-spoke polished alloy wheel
- Adaptive LED headlamps with Glare Free
- Unique exterior chrome detailing
- Silver roof rails
- Enhance power fold mirrors with memory function and auto dip
- Metallic paint
- 10-way multi contour front seats:

 - Variable heated and cooled
 - With massage function
 - Driver's seat with memory function
- Leather wrapped instrument panel
- Premium leather-trimmed steering wheel
- Sony DAB audio with CD player with subwoofer and 12 speakers
- Rear View Camera
- Enhanced ambient lighting
- Power Tailgate

Gross Retail Price € 60,495

Availability Notes

Note - Vehicles fitted with a factory fit towbar will be supplied with a different rear bumper to allow for correct fitting. This bumper will differ in design to any images in this pricelist or any other Ford media images. For more details please refer to the orderguide guidelines issued with PNI546.

* Price stated is the GRP for a standard specification vehicle with no options.

Images shown for illustrative purposes only. Body colours shown may be optional (at additional cost). See colour options page for more information.

**FordPass Connect features and Live Traffic are complimentary on initial trial period following registration of the vehicle, thereafter a subscription is payable. See ford.ie for more information.

Wi-Fi hotspot includes complimentary wireless data trial that begins at time of activation and expires at the end of 3 months or when 3GB of data is used, whichever comes first.

Afterwards a subscription to Vodafone is required (please refer to their website for details of data packages). Check availability notes are applicable to the options listed.

¹ Confirm compatibility with dealer

² Alternative G3* Roof Boxes are available

³ Item is non-Ford branded from an approved supplier

For any more information about any of the included Ford Accessories, or to view a full range of Ford Accessories visit www.ford-accessories.ie

This price list shows both original Ford accessories as well as a range of carefully selected products from third party suppliers, identified under that third party supplier's brand name.

Please note that third party supplier branded accessories do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer.

Fitting of accessories may have an impact on your vehicle's fuel consumption.

Prices do not include fitting unless otherwise stated. Please refer to your Ford Dealer for fitted prices.

S-MAX 'FUEL EFFICENCY'

Fuel, performance and emissions

The test used to establish fuel consumption and CO2 figures has changed to deliver results that are more representative of real driving. The Worldwide Harmonised Light Vehicle Test Procedure (WLTP) has replaced the old NEDC test. The Fuel Consumption and CO2 figures shown are derived from the new WLTP test.

This will produce more accurate figures which most likely will be greater than those arrived at using the NEDC test. Please be mindful of this in making comparisons between vehicles where some manufacturers may still display the old NEDC figures. It should be noted that vehicle registration tax (VRT) and where applicable motor tax is now based on these WLTP figures from 1st January 2021. Understanding fuel data; The table below shows the fuel consumption (WLTP) and CO2 emissions (WLTP) for each available engine when fitted on a standard specification vehicle (with no options or accessories). Adding options or accessories to your chosen vehicle can impact WLTP fuels consumption and CO2 emissions. Please speak to your Ford Dealer for more information.

You can also use Ford's online configurator to build and customise a new Ford vehicle: www.ford.ie/configurator. The configurator provides information about your configured vehicle's fuel consumption and CO2 emissions (these are also WLTP test figures).

Engine	Available on	Transmission	Drive	Combined Fuel Consumption (WLTP Figures with No Options)	
				Lowest Performing (L/100km)	Highest Performing (L/100km)
2.5 Duratec 190PS FHEV	Titanium, ST Line, Vignale	CVT automatic	FWD	6.5	6.4

Notes

*In 4th gear. ∅Ford test figures.

∅∅ The declared Fuel/Energy Consumptions, CO2-Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC 715/2007 and (EU) 2017/1151 as last amended. Light Duty Vehicles type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP) have Fuel/Energy Consumptions and CO2-Emission information for both New European Drive Cycle (NEDC) and WLTP. WLTP is a new, more realistic test procedure for measuring fuel consumption and CO2 emissions. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO2 emissions and electric range. CO2 is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO2 emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under www.seai.ie.

S-MAX CO2 & PERFORMANCE

The test used to establish fuel consumption and CO2 figures has changed to deliver results that are more representative of real driving. The Worldwide Harmonised Light Vehicle Test Procedure (WLTP) has replaced the old NEDC test. The Fuel Consumption and CO2 figures shown are derived from the new WLTP test. This will produce more accurate figures which most likely will be greater than those arrived at using the NEDC test. Please be mindful of this in making comparisons between vehicles where some manufacturers may still display the old NEDC figures. It should be noted that vehicle registration tax (VRT) and where applicable motor tax are now based on these WLTP figures in 2021. The table above shows the fuel consumption (WLTP) and CO2 emissions (WLTP) for each available engine when fitted on a standard specification vehicle (with no options or accessories). Adding options or accessories to your chosen vehicle can impact WLTP fuel consumption and CO2 emissions. Please speak to your Ford Dealer for more information.

Engine	Available on	Euro Emissions	Transmission	Maximum Power PS (KW)	Torque Nm	Wheel Size	CO2 Emissions (g/km) Ø	Max Speed (kph)	0 - 100 kph (secs)	50 - 100 kph (secs)
5 Door Petrol Hybrid - with 17", 18" and 19" wheels										
2.5 Duratec 190PS FHEV	Titanium	Stage 6.2	CVT	190 (140)	200	17"	147	185	9.8	5.9

Notes

M6 = 6 Speed Manual, M6 AWD = 6 Speed Manual with Intelligent All Wheel Drive, A8 = 8 Speed Automatic, A8 AWD = 8 Speed Automatic with Intelligent All Wheel Drive

The fuel consumption you achieve in real life conditions and CO2 produced will depend upon a number of factors including options and accessories fitted, variations in weather, driving styles and vehicles load. The declared Fuel/Energy Consumption CO2 Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behavior as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO2 emissions and electric range, CO2 is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO2 emissions which contains data for all new passenger car models is available at any point of sale free of charge. A guide on fuel economy and CO2 emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under www.seai.ie.

VRT Category A (EU Classification M1)

Most cars fit into category A and minibuses carrying no more than 8 passengers and driver. VRT is charges based on the CO2 emissions of the vehicle when it was manufactured. The VRT rates are as follows:

Effective from 1st January 2021	CO ₂ Emissions (g/km)*		VRT Rate €	Minimum VRT €	NOX (mg/km)*	Amount payable per mg/km (€)
1	0	50	7.00%	280.00	The first 0-40 mg/km	5.00
2	51	80	9.00%	300.00	The next 40 mg/km or part thereof up to 80 mg/km	15.00
3	81	85	9.75%	320.00		
4	86	90	10.50%	340.00	The remainder above 80 mg/km	25.00
5	91	95	11.25%	360.00		
6	96	100	12.00%	380.00		
7	101	105	12.75%	460.00	Diesel Cap	4850.00
8	106	110	13.50%	540.00	Petrol Cap	600.00
9	111	115	15.25%	600.00		
10	116	120	16.00%	680.00		
11	121	125	16.75%	720.00		
12	126	130	17.50%			
13	131	135	19.25%			
14	136	140	20.00%			
15	141	145	21.50%			
16	146	150	25.00%			
17	151	155	27.50%			
18	156	170	30.00%			
19	171	190	35.00%			
20	191	500	41.00%			

NOTE: The NOx levy will be applied to all VRT category A vehicles (passenger and SUVs). The new charges being introduced will mean an increase in VRT for older imported cars and these charges will be based on a NOx (Nitrogen Oxide) sliding scale on passenger cars.

This new tax will replace the 1% VRT Levy on diesel cars which was introduced last year and the NOx tax will apply to all new or imported cars from January 1st, 2020.

OTHER PRICING CONSIDERATIONS

Customer Order Price Protection

Ford's Price Protection Plan means that the price you pay is the same as the price on your order as long as you are prepared to accept delivery within six months, and in any event, as soon as your vehicle is available. Henry Ford & Son Limited is not liable for changes in price caused by Government changes in tax rates or changes in other applicable legislation.

VAT

VAT is shown calculated at 23%. The total price of a vehicle, including factory fitted options and accessories fitted by the Ford Dealer, will be subject to VAT on retail sale.

Price Changes

This price list outlines Ford's Gross Retail Prices (GRP), please contact your Ford dealer for final sale prices.

This price list is effective from **3rd October 2022** and supersedes all previous price lists. The recommended prices in the publication were true and accurate at the time of printing. You should, however, check details with your Dealer as there may have been changes to Ford's recommended prices in view of Ford's policy of continuous development. Ford reserves its right to change its recommended prices at anytime. Change to government legislation or tax changes could result in a change to Ford's published recommended prices.

ILLUSTRATIONS, DESCRIPTIONS AND SPECIFICATIONS

The product information in this publication was correct at the time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications and colours of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability.

Some images portrayed are of a pre-production model and/or are computer generated, therefore the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional e.g. metallic paint.

Please also note some driver assistance features and safety features described in this publication are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.
