FUEL CONSUMPTION

he fuel consumption and CO2 emission figures shown in the table are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP) . These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load. The figures shown are for comparability purposes; only compare fuel consumption and CO2 figures with other vehicles tested to the same technical procedures.

You can also use Ford's online configurator to build and customise a new Ford vehicle: [www.ford.ie/configurator](http://www.ford.ie/configurator) . The configurator provides information about your configured vehicle's fuel consumption and CO2 emissions ( these are also WLTP test figures). The figures shown are for comparability purposes; only compare fuel consumption and CO2 figures with other vehicles tested to the same technical procedures.

000 Battery (Useable)	Fuel Type	Available On	Euro Emissions	Transmission	Drive	00000Maximum Power PS (KW)	00000Torque Nm	†WLTP Overall Range In KM (Combined)	†WLTP Range Extra High In KM (Motorway)	00 Combined Energy Consumption Kwh/100km	Efficiency Rating	High Powerd Charging (KW)	†† 10-80% Charge (mins)

00Ford test figures.

00 The fuel consumption you achieve in real life conditions and CO2 produced will depend upon a number of factors including options and accessories fitted, variations in weather, driving styles and vehicles load. The declared Fuel/Energy Consumption CO2 Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behavior as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO2 emissions and electric range. CO2 is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO2 emissions which contains data for all new passenger car models is available at any point of sale free of charge. A guide on fuel economy and CO2 emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under [www.sea.ie](http://www.sea.ie).

\*Actual peak power of system (battery and motor)

† Based on full charge. Estimated range using Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown are for comparability purposes and should only be compared with other vehicles tested to the same technical procedures. Actual charge times and charging speeds will vary according to the type of home or public charging station used, as well as other factors (including weather, ambient temperature, driving behaviour, driving profile, vehicle condition, age, condition and temperature of the lithium-ion-battery). WLTP Overall Range reflects a combined driving cycle and WLTP Extra High reflects motorway driving – both tests are conducted in controlled conditions with an ambient temperature of 23 degrees Celsius and no climate or electrical load.

000 - The battery capacity figure specified is the usable capacity determined by Ford and used to deliver the stated performance and battery durability.

†† Achieved using high power charging. Time dependent on charging conditions, battery temperature and size as well as ambient temperature at point of use.

††† Ford test data based on testing methodology using 1-ft rollout i.e. from a rolling start. Figures shown in brackets are based on Ford test data based on testing methodology from a stationary start.

# PERFORMANCE

Battery (Useable)	Series	Drive	Transmission	Maximum Power PS (KW)	Torque Nm	0-100 km/h (secs)	Max Speed (km/h)
5 Door Pure Electric							
52kWh Standard Range	Style	RWD	1 Speed Automatic	170PS (125kW)	310	8.7	160
77kWh Extended Range	Select	RWD	1 Speed Automatic	286PS (210kW)	545	6.4	180
52kWh Standard Range	Premium	RWD	1 Speed Automatic	170PS (125kW)	310	8.7	160
77kWh Extended Range	Premium	RWD	1 Speed Automatic	286PS (210kW)	545	6.4	180

- Calculated via peak performance of the electric motor(s) at peak battery power. Your results may vary.

Figures shown are based on Ford test data based on testing methodology from a stationary start.

<sup>1</sup> Additional parts required for Retractable Tow Bar installation: Fitting frame for release switch (2700414), Expanding nut for module (2700645), Tow Bar Bolt M5x16mm, for module (2732682), Tow Bar Bolt with washer, M10x40 mm (2714993)

<sup>2</sup> Alternative Roof Boxes are available

<sup>3</sup> Single alloy wheel. Excludes centre cap, tyre, wheel bolts, valve & fitment

<sup>4</sup> Item is non-Ford branded from an approved supplier

For more information about any of the included Ford Accessories, or to view the full range of Ford Accessories visit [www.ford-accessories.ie](http://www.ford-accessories.ie)

\*This price list shows both original Ford accessories as well as a range of carefully selected products from third party suppliers, identified under that third party supplier's brand name.

Please note that third party supplier branded accessories do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer.

Fitment of dealer-fit parts and accessories may have an impact on your vehicle's fuel / energy consumption.

Prices do not include fitting unless otherwise stated. Please refer to your Ford Dealer for fitted prices.

# FORD PROTECT New All-Electric Ford Capri

## Complimentary 5 Year Ford Protect Service Plan - Retail & Demonstrator Registrations Only

A complimentary 5 Year Service plan includes 2 scheduled services, in line with the 2 year / unlimited mileage service intervals on New All-Electric Ford Capri, providing the reassurance and peace of mind of knowing that your vehicle will be serviced by Ford technicians using genuine Ford parts.

The plan provides the additional benefit of Ford Assistance for the duration of the plan - a roadside rescue, repair and recovery service that helps you seven days a week, 365 days a year. Wear and Tear not included and may incur additional charges see below.

Applies only to Retail and Demonstrator vehicles. Excludes Fleet. See below eligible Global Sales Type. Plan activated at registration and remains with the vehicle for duration of the 5-year term. Contact your Ford Dealer for further information.

Global Sales Type	AAA	ABA	ABB	ABC	DAA	DAD	DAE
-------------------	-----	-----	-----	-----	-----	-----	-----

## Ford Protect New Vehicle Extended Warranty

Every New All-Electric Ford Capri is protected by a 2 year/unlimited km Base Warranty with an optional Extended Warranty available - please ask your Ford Dealer for further information.

### Features:

- Cover against the cost of repair or replacement of defective parts, or to repair a material, assembly or manufacturing defect recognised by Ford
- Helps protect against unexpected repair bills
- All repairs will be carried out by Ford Authorised Dealers using genuine Ford parts
- Ford Protect New Vehicle Extended Warranty plans can be purchased any time within 12 months from date of registration

## Notes and Conditions

- The length of your plan (and number of services) applies from your new vehicle warranty commencement date, usually the date of first registration
- Time and mileage limits apply to Ford Protect Plans
- It is a condition of Ford Protect Service Plans that your vehicle is serviced by an Authorised Ford Repairer according to the schedules in your Ford Service Portfolio
- Subject to the terms and conditions of the Ford Protect Plans
- These Ford Protect Plans are transferable so it is an added benefit to the new owner if you decide to sell your vehicle
- The Extended Warranty packages do not impact the 8 year / 160,000 km warranty on the New All-Electric Ford Capri's High-Voltage Battery and Components.
- Ask your Ford Dealer for full details of the Ford Protect New Vehicle Extended Warranty and Service Plan and their associated Terms and Conditions or alternatively call Ford Protect on +44 3702 416726, Option 2, Option 2, or visit [www.ford.ie](http://www.ford.ie)

## VRT Category A (EU Classification M1)

Most cars fit into category A and minibuses carrying no more than 8 passengers and driver. VRT is charged based on the CO<sub>2</sub> emissions of the vehicle when it was manufactured. The VRT rates are as follows:

Effective from 1st January 2022	CO <sub>2</sub> Emissions (g/km)*		VRT Rate €
1	0	50	7.00%
2	51	80	9.00%
3	81	85	9.75%
4	86	90	10.50%
5	91	95	11.25%
6	96	100	12.00%
7	101	105	12.75%
8	106	110	13.50%
9	111	115	15.25%
10	116	120	16.00%
11	121	125	16.75%
12	126	130	17.50%
13	131	135	19.25%
14	136	140	20.00%
15	141	145	21.50%
16	146	150	25.00%
17	151	155	27.50%
18	156	170	30.00%
19	171	190	35.00%
20	191	500	41.00%

## Nitrogen Oxide (NOx) Emission Levy

NOX (mg/km)*	Amount payable per mg/km (€)
The first 0-40 mg/km	5.00
The next 40 mg/km or part thereof up to 80 mg/km	15.00
The remainder above 80 mg/km	25.00
Diesel cap	4850.00
Petrol cap	600.00

NOTE: The NOx levy is applied to all VRT category A vehicles (passenger and SUVs). This means an increase in VRT for older imported cars with these charges based on a NOx (Nitrogen Oxide) sliding scale on passenger cars.

This NOx Levy replaced the 1% VRT Levy on diesel cars, and has been applied to all new or imported cars from January 1st, 2020.

## OTHER PRICING CONSIDERATIONS

### Customer Order Price Protection

Ford's Price Protection Plan means that the price you pay is the same as the price on your order as long as you are prepared to accept delivery within three months, and in any event, as soon as your vehicle is available. Your Dealer has full details of the plan. Ford Motor Company Ltd is not liable for changes in price caused by Government changes in tax rates, tariffs, customs, Government incentives/grants or changes in other applicable legislation.

### VAT

VAT is shown calculated at 23%. The total price of a vehicle, including factory fitted options and accessories fitted by the Ford Dealer, will be subject to VAT on retail sale.

### Price Changes

This price list outlines Ford's Gross Retail Prices (GRP), please contact your Ford dealer for final sale prices.

This price list is effective from 27th February 2025 and supersedes all previous price lists. The recommended prices in the publication were true and accurate at the time of printing. You should, however, check details with your Dealer as there may have been changes to Ford's recommended prices in view of Ford's policy of continuous development. Ford reserves its right to change its recommended prices at anytime. Change to government legislation or tax changes could result in a change to Ford's published recommended prices.

### ILLUSTRATIONS, DESCRIPTIONS AND SPECIFICATIONS

The product information in this publication was correct at the time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications and colours of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability.

Some images portrayed are of a pre-production model and/or are computer generated, therefore the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional, e.g. metallic paint.

Please also note some driver assistance features and safety features described in this publication are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.
