For any more information about any of the included Ford Accessories, or to view a full range of Ford Accessories visit www.ford-accessories.ie

This price list shows both original Ford accessories as well as a range of carefully selected products from third party suppliers, identified under that third party supplier's brand name.

Please note that third party supplier branded accessories do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer.

Fitment of accessories may have an impact on your vehicle's fuel consumption.

Prices do not include fitting unless otherwise stated. Please refer to your Ford Dealer for fitted prices.

FUEL CONSUMPTION

The test used to establish fuel consumption and CO2 figures has changed to deliver results that are more representative of real driving. The Worldwide Harmonised Light Vehicle Test Procedure (WLTP) has replaced the old NEDC test. The Fuel Consumption and CO2 figures shown are derived from the new WLTP test.

This will produce more accurate figures which most likely will be greater than those arrived at using the NEDC test. Please be mindful of this in making comparisons between vehicles where some manufacturers may still display the old NEDC figures. It should be noted that vehicle registration tax (VRT) and where applicable motor tax is now based on these WLTP figures from 1st January 2021. Understanding fuel data; The table below shows the fuel consumption (WLTP) and CO2 emissions (WLTP) for each available engine when fitted on a standard specification Focus (with no options or accessories). Adding options or accessories to your chosen vehicle can impact WLTP fuels consumption and CO2 emissions. Please speak to your Ford Dealer for more information.

You can also use Ford's online configurator to build and customise a new Ford vehicle: www.ford.ie/configurator. The configurator provides information about your configured vehicle's fuel consumption and CO2 emissions (these are also WLTP test figures).

Engine	Fuel Type	Available On	Euro Emissions	Transmission	Drive	Maximum Power PS (KW)	Torque Nm (with overboost)	Fuel Consumption (WLTP)				Co2 Emissions (WLTP)	
								Lowest Performing (MPG)ØØ	Highest Performing (MPG)ØØ	Lowest Performing (L/100km)ØØ	Highest Performing (L/100km)ØØ	Lowest Performing (Co2)ØØ	Highest Performing (Co2)ØØ
1.1L Ti-VCT 75PS	Petrol	Trend Connected	Stage 6.2	5 Speed Manual	FWD	75PS (55kW)	105	52.3	52.3	5.4	5.4	121	121
1.0T EcoBoost 95PS	Petrol	Trend Connected, Titanium, ST-Line, Active	Stage 6.2	6 Speed Manual	FWD	95PS (70kW)	170	53.3	55.4	5.3	5.1	115	120
1.0T EcoBoost 125PS	Petrol	Titanium, Vignale, Active	Stage 6.2	7 Speed DCT Auto	FWD	125PS (92kW)	170	48.7	50.4	5.8	5.6	128	131
1.0T EcoBoost Hybrid 125PS	Petrol	All Series (Excl Trend Connected & ST)	Stage 6.2	6 Speed Manual	FWD	125PS (92kW)	170 (210)	53.3	56.5	5.3	5	114	119
1.5T EcoBoost 200PS	Petrol	ST-3	Stage 6.2	6 Speed Manual	FWD	200PS (147kW)	290	42.8	42.8	6.6	6.6	149	150

Notes

ØFord test figures.

ØØ The declared Fuel/Energy Consumptions, CO2-Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. Light Duty Vehicles type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP) have Fuel/Energy Consumptions and CO2-Emission information for both New European Drive Cycle (NEDC) and WLTP. WLTP is a new, more realistic test procedure for measuring fuel consumption and CO2 emissions and will fully replace the NEDC latest by end of the year 2020. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO2 emissions and electric range. CO2 is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO2 emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk>.

VRT Category A (EU Classification M1)

Most cars fit into category A and minibuses carrying no more than 8 passengers and driver. VRT is charged based on the CO₂ emissions of the vehicle when it was manufactured. The VRT rates are as follows:

Nitrogen Oxide (NO_x) Emission Levy

Effective from 1st January 2020	CO ₂ Emissions (g/km)*	VRT Rate €	NOX (mg/km)*	Amount payable per mg/km (€)
1	0	50	7%	The first 0-40 mg/km 5.00
2	51	80	9%	The next 40 mg/km or part thereof up to 80 mg/km 15.00
3	81	85	10%	
4	86	90	11%	The remainder above 80 mg/km 25.00
5	91	95	11%	
6	96	100	12%	
7	101	105	13%	Diesel cap 4850.00
8	106	110	14%	Petrol cap 600.00
9	111	115	14%	
10	116	120	15%	
11	121	125	16%	
12	126	130	17%	
13	131	135	17%	
14	136	140	18%	
15	141	145	20%	
16	146	150	21%	
17	151	155	24%	
18	156	170	26%	
19	171	190	31%	
20	191	500	37%	

NOTE: The NO_x levy will be applied to all VRT category A vehicles (passenger and SUVs). The new charges being introduced will mean an increase in VRT for older imported cars and these charges will be based on a NO_x (Nitrogen Oxide) sliding scale on passenger cars.

This new tax will replace the 1% VRT Levy on diesel cars which was introduced last year and the NO_x tax will apply to all new or imported cars from January 1st, 2020.

FORD PROTECT - Fiesta

Every new Ford car is protected by a 3 year/60,000 mile Ford Warranty. In addition, it will also come with Ford Assistance for 1 year, providing roadside assistance in the UK and IRL and throughout Europe.

Ff

Ford Protect Classic 4th/5th Year Extended Warranties

If you plan on keeping your car for longer than 3 years or are a high mileage driver you can extend your 3 year/60,000 mile warranty to either 4 years/80,000 miles or 5 years/100,000 miles.

Features:

- Cover against the cost of repair or replacement of defective parts, or to repair a material, assembly or manufacturing defect recognised by Ford
- Protection against unexpected repair bills
- All repairs will be carried out by Ford Authorised Dealers using genuine Ford parts
- Ford Protect Classic extended warranty plans can be purchased any time up until the vehicle's first date of registration

Ford Protect Service Plan

You can also upgrade to a Ford Protect Service Plan giving you the option of scheduled services and extended Ford Assistance.

Features:

- Scheduled Servicing; covers scheduled servicing in accordance with Ford Standard Service Schedules including associated parts and labour, for the number of services applicable to your plan.
The Mandatory Annual Inspection, if applicable to your vehicle and replacement brakefluid (every other year)
- Extended Ford Assistance; roadside assistance in the UK and throughout Europe
- Vehicle Hire; for up to 7 days
- The Ford Protect Service Plan can be purchased any time before the first service is due

Ford Protect Service Plan Plus (High Mileage Users Only)

You may choose to upgrade to a Ford Protect Service Plan Plus giving you the benefits of the Service Plan and also includes a Wear and Tear Plan.

Features:

- All items covered within the Service Plan and in addition:
Brake Pads/shoes/discs; Clutch friction plate; Shock absorbers; Silencers; Wiper Blades; Bulbs
- **Exclusions:** Tyres; Interior trims; glass, seat covers; pads; frames; springs; headrests, seat belts; sheet metals, water ingress, body seals and aerals. Bodywork and paint check and Air conditioning check.
- Ford Protect Service Plan Plus can be purchased any time up until the vehicle's first date of registration

Notes and Conditions

- The length of your plan (and number of services on Service Plan and Service Plan Plus) applies from your new vehicle warranty commencement date, usually the date of first registration
- Time and mileage limits apply to all Ford Protect Plans
- Please contact your nearest Ford dealer for information on service intervals
- It is a condition of Ford Protect Service Plan and Ford Protect Service Plan Plus that your vehicle is serviced by an Authorised Ford Repairer according to the schedules in your Ford Service Portfolio
- In addition your Ford Service History Log must be kept up-to-date
- Subject to the terms and conditions of the Ford Protect Plans
- These Ford Protect Plans are transferable so it is an added benefit to the new owner if you decide to sell your vehicle
- Ask your Ford Dealer for full details of the Ford Protect Extended Warranty, Service Plan or Service Plan Plus and their associated Terms and Conditions or alternatively call Ford Protect on 03702 416726, Option 2, Option 2, or visit www.ford.ie

OTHER PRICING CONSIDERATIONS

Customer Order Price Protection

Ford's Price Protection Plan means that the price you pay is the same as the price on your order as long as you are prepared to accept delivery within six months, and in any event, as soon as your vehicle is available. Henry Ford & Son Limited is not liable for changes in price caused by Government changes in tax rates or changes in other applicable legislation.

VAT

VAT is shown calculated at 23%. The total price of a vehicle, including factory fitted options and accessories fitted by the Ford Dealer, will be subject to VAT on retail sale.

Price Changes

This price list outlines Ford's Recommended On The Road (OTR) prices and Recommended Retail Prices (RRP), please contact your Ford dealer for final sale prices.

This price list is effective from 1st March 2021 and supersedes all previous price lists. The recommended prices in the publication were true and accurate at the time of printing. You should, however, check details with your Dealer as there may have been changes to Ford's recommended prices in view of Ford's policy of continuous development. Ford reserves its right to change its recommended prices at anytime. Change to government legislation or tax changes could result in a change to Ford's published recommended prices.

ILLUSTRATIONS, DESCRIPTIONS AND SPECIFICATIONS

The product information in this publication was correct at the time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications and colours of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. Some images portrayed are of a pre-production model and/or are computer generated, therefore the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional e.g. metallic paint.

Please also note some driver assistance features and safety features described in this publication are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.
